

Keystone Clinic Set Tonight

A special immunization clinic will be held tonight at Carson Park, the Los Angeles County Health Department has announced. The clinic will be held from 6 to 8 o'clock. The park is located at 21411 Orrick St.

Dr. Earl W. Kendrick, Torrance district health officer, said immunizations against polio, diphtheria, whooping cough, and tetanus will be given.

"The special immunization clinic at Carson Park was requested by the Keystone Council, a citizens' group which was organized to discuss and deal with community problems in the Keystone area," Dr. Kendrick said. "The danger of epidemics in unimmunized populations is of much concern to the Health Department as well as to the general public," he continued.

IN SPITE OF the fact that effective polio vaccines have been widely available for 10 years, 35 per cent of children under five in Los Angeles County are not protected against the crippling, often fatal disease, according to Dr. Kendrick. In addition, County figures show that 50 per cent of children under five are inadequately protected against three other serious diseases—diphtheria, tetanus, and whooping cough.

Dr. Kendrick urges anyone in need of immunizations for himself or his family to contact his private physician or attend the Health Department immunization clinics. For information on the day clinics at the Torrance District Health Centers, call FA 8-3310.

Fellowship Group Will Hear Lessin

Joseph Lessin, owner of the Shepherd Lamb Co. of Los Angeles, will speak on "Forgiveness, Forgiven, Forgiving," at a meeting of the Torrance Beth Sar Shalom Fellowship Thursday, July 29.

The meeting will be held at the home of Mr. and Mrs. Robert Charness, 4926 Laurette St., beginning at 8 p.m. Lessin, born in Kiev, Russia, into a strict orthodox Jewish family was converted to Christianity in 1951. He was educated in the public schools in New York City and attended City College of New York.

All persons, regardless of religious background, are welcome at the fellowship meetings. The group meets at the Charness home on the last Thursday of each month.

POLICE WORK EXPLAINED . . . Officer Jack Carroll of the Hermosa Beach Police Department explains how a police dog is selected and trained during a program at Madrona Elementary School. Highlight of the demonstration was the capture of a "suspect" by the dog, Duke. The suspect was portrayed by Wally Moore, also a Hermosa Beach officer. Carroll's wife teaches at Madrona School.

Dog Captures Suspect On School Playground

A 75-pound police dog cornered a fleeing "suspect" on the playground of a Torrance schoolyard last week.

The suspect was Hermosa Beach police officer Wally Moore, and his capture highlighted a demonstration of police dog training by fellow officer Jack Carroll for students of Madrona Elementary School. Carroll, whose wife Georgia, teaches at the school, put Duke, his 4-year-old German shepherd, through obedience paces before putting him on the trail of the mock criminal.

IN A TALK delivered to 250 students on the school lawn, Carroll explained how Duke was selected by the police department. He described the four-month training the dog underwent at obedience school in San Bernardino prior to becoming one of two dogs on the Hermosa canine force.

Duke and Carroll, who rotate between 4 p.m. to midnight and midnight to 8 a.m. shifts every 100 days, live together 24 hours a day. When the German shepherd is off duty he makes his home in a kennel at the Carroll household.

New \$1.5 Million Unimart To Be Opened Next Month

A \$1.5 million Unimart Family Savings Center, 13th in the rapidly expanding chain, is scheduled to open in Manhattan Beach late next month.

The 108,000 sq. ft. store is located at 1200 N. Sepulveda, on the corner of Sepulveda and Manhattan Beach Boulevard.

When completed, the new Unimart will offer South Bay residents a complete department store, supermarket, pharmacy and garden and patio shop all housed under one roof.

Also located on the parking lot will be a fully equipped service station and auto center.

Unimart has over 45 departments including separate fashion areas for men, women, children, infants, an exclusive Junior World department plus a complete specialty shoe department.

OTHER departments include a linen and domestic shop, jewelry, cameras, major appliances, furniture, sporting goods and auto accessories plus an optometrist. Special attention was paid to the interior architecture of the building.

Interiors, fixtures and color coordination was created by the New York architecture firm of Copeland, Novak and Israel. This same firm has

designed interiors for Gimbel's, Macy's and Saks Fifth Avenue.

"We feel that in Manhattan Beach we have one of the most attractive stores of its kind," said Layton.

FORMERLY a membership store, Unimart opened its doors to the public earlier this year.

They currently have three stores in San Diego, one in San Mateo plus others in Northridge, Burbank, Alhambra, Pomona, La Mirada, Norwalk, Long Beach and Culver City. An additional unit is planned to open in Oxnard later this year.

ACCORDING to William Layton, president, Unimart-Manhattan Beach represents a dramatic departure from the traditional discount store. "Unimart places a keen emphasis on both style and quality at the lowest possible prices," he said. "And this emphasis will be quickly recognized by even the most casual shopper the first time he visits the store."

Mrs. Leon Landon, administrative secretary at the Lawndale School District, and president of South Bay Eds, will attend the convention and institute and enjoy a vacation on the East Coast before returning to the South Bay Area.

Mrs. Ed Urban, secretary to Dr. Ross Harrington, superintendent of Redondo Beach City School District, and former president of South Bay Eds, will join Mrs. Landon at the convention.

Hospital Benefits Now Available to Eligible

A number of eligible Torrance residents will not receive state hospital benefits unless immediate action is taken, according to Richard P. Adams, district disability manager for the Department of Employment.

It is feared that some persons failed to claim hospital benefits between April 1 and June 25 during the suspension of hospital benefits due to the temporary insolvency of the disability fund.

With the signing by Governor Edmund G. Brown of AB

241 (Zenovich), the disability fund refinancing bill, on June 25, the Long Beach district disability office resumed payments of hospital benefits and began paying all suspended claims.

"ALL SUSPENDED hospital benefits on which claims were filed have been paid by my office, and amount in excess of \$480,000. However, it is a certainty some persons who need this help and are entitled to it did not file claims in April, May and June," Adams said.
